IMPORTANCE OF KEEPING SCHEDULED VISITS

As a patient at our office, we have the responsibility to provide approved treatment to you per your Doctor's prescription. In many cases, the Doctor's prescription requires you to participate in weekly therapy visits for a specified period of time.

NOTE: All insurance carriers require that a patient receive physical therapy based on a written Doctor's prescription. According to your condition and diagnosis, your physical therapy program was designed uniquely for you by the Physical Therapist. To be sure that the maximum benefit of physical therapy is obtained, the consistency of your visits is very important.

We require that you notify our office 24 hours prior to cancellation of an appointment or there will be a \$50.00 charge which is not covered by your insurance.

**** Children are NOT allowed in the gym area or on any of the gym equipment. They can sit in the waiting room and are allowed in the treatment room with you.**
